Confirmation Feedback Checklist

Check the box on the right of the question, if your answer to the question is YES.

- Did your feedback demonstrate the correct reasoning, M+? ☐
- Did your feedback point out the critical attributes of the M+? ☐
- Did your feedback ensure the learner understood why the reasoning was correct? (Do this to provide positive reinforcement and develop confidence.) ☐
- Did you provide feedback in a timely manner? ☐

After the Feedback

- Did you provide similar questions for the learner to apply the feedback? ☐
- Did your feedback lead to improved performance outcomes or results? ☐
